

## IMPORTANT TUITION SCHOLARSHIP INFORMATION

B"H

April 19, 2017

Dear Parents:

We hope this letter finds you and your family in the best of health. As has always been the practice and commitment, absolutely no information will be shared outside of each school's Tuition Committee and office.

**The Confidential Tuition Reduction Application should be mailed to your individual school(s). We strongly encourage copies be made before mailing. Tuition payments will be made utilizing the FACTS Tuition Management Program**

**Tuition reduction applications are due no later than Friday, May 19th.**

FACTS will continue to provide the discounted annual fee to families using the monthly option for the second and subsequent schools in which their children are enrolled. For example, if a family was using FACTS to pay for children in Talmudical Academy, Bais Yaakov, and Bais Medrash and Mesivta, they would be charged annually \$86 (\$43+\$21.50+\$21.50) instead of \$129 (\$43+\$43+\$43). It is recommended to contact FACTS once you receive your confirmation letter, before the fee is processed, to have it discounted. If you do not contact FACTS until after the fee has been processed, the discount will be provided in the form of a refund check which will take up to 2 weeks to be processed.

**In order to receive the discounted rate, parents must make the request directly to FACTS Management at 866-441-4637.** If you have any questions regarding these procedures or FACTS, please feel free to contact FACTS Management and a team member will be able to assist you. If you prefer, you may contact your respective school.
