

## BAIS YAAKOV SCHOOL FOR GIRLS - SCHOOL SUPPLY LIST 2017-2018

The following is a list of supplies which your daughter should have with her on the first day of school. *Please be sure that all her belongings, including pencils, are labeled.* Even though some of these supplies will not be needed until later in the school year, they have been included on this list since they are often not available in the stores during the winter months. The new school year always begins on a bright note when the children come to school properly prepared on the first day. Please check periodically to make sure that your daughter has all her supplies during the year.
