Dear Parents, עמו"ש

It is a pleasure to welcome you and your daughters to Bais Yaakov!

Welcome back to our current students and *Bruchos HaBaos* to our new Bais Yaakov *talmidos*! We are very excited to be here throughout each day to be available for the teachers, parents and of course, the students. This year will certainly look and feel differently for our staff and our students, but we are here to help in any way you need.

Our dedicated Preschool staff is busy planning an exciting, meaningful year for our children whether we are able to be together in person on our campus or in our homes. Preschool Student and Parent Orientation: We know you have many questions and we will strive to address them all. Our orientation plans are still being finalized as we consult with our staff and health advisory committee. More detailed Orientation information and class lists will be sent in late August IY"H.

For your convenience, we have enclosed:

Dear Parents,

Please be sure to check your daughter's hair frequently during the summer recess to ensure that she does not have lice. Only with your help can we prevent the spread of lice amongst our students and the community. Thank you!
