For Parents of BY:

Dear Family and Friends,

We are proud parents of daughters enrolled in Bais Yaakov of Baltimore. For decades Bais Yaakov has consistently provided a quality education in a warm caring environment where teachers and staff form close personal connections with students. Our daughters are enjoying a special school experience where we see them flourishing and developing into true Bnos Torah.

We are currently engaged in an essential fundraising campaign to raise \$1 million by March 9th. This effort is fundamental to the sustainability of our school. It will enable Bais Yaakov to continue inspiring, educating and helping its students discover and actualize their true unique potential.

Join me and help Bais Yaakov succeed. Please donate to my personal link and together we will invest in our future.

All donations will be QUADRUPLED.

With much appreciation,
