KINDERGARTEN CHILDREN ENTERING GRADE 1

Dear Parents,

We hope everyone is well and the girls are enjoying their summer vacation. Enclosed please find:

- First Grade Supply list
- Uniform guidelines/vendors
- Note from the Nurse

As a group, the children did remarkably well with their Aleph Bais skills and the reading program in the afternoon. Summer review will make their adjustment to first grade that much easier. We strongly encourage all parents to spend a short while every day or every other day reviewing these skills with their girls.

Please note on the supply list that we have placed a limit on the size of the box of crayons and amount of markers. This was done to help you, to help us, and foremost to help the children. The girls absolutely do not need any more. We hope that this will make your school supply shopping easier for you, as we are sure that it will be to the benefit of the children in class.

Information regarding the special first grade orientation will be forthcoming in early August. Have a wonderful summer!

Sincerely,

Yitzchok Sanders
