

IMPORTANT TUITION SCHOLARSHIP INFORMATION

April, 2022

Dear Parents:

We hope this letter finds you and your family well.

As in the past, in order to simplify the tuition reduction process for Baltimore families, the schools listed below use a standard Confidential Tuition Reduction Application which can be completed once, and submitted to each individual school. In addition to the mailed/emailed paper form, the Tuition Reduction Application may be filled out online, with the form automatically being sent to the schools you choose upon submission. To access the form, please click here:

Please note you will need to enable pop ups to access the form. If you do choose to mail the paper form, we highly recommend keeping a copy for yourself.

As has been our practice and commitment, absolutely no information will be shared outside of each school's Tuition Committee and office.

Completed Tuition Reduction applications are due no later than Friday, May 20th.

Tuition payments will be made utilizing the FACTS Tuition Management Program. FACTS will continue to provide the discounted annual fee to families using the monthly option for the second and subsequent schools in which their children are enrolled. For example, if a family was using FACTS to pay for children in Torah Institute, Bais Yaakov, and Meivta Kesser Torah, they would be charged annually \$86 (\$43+\$21.50+\$21.50) instead of \$129 (\$43+\$43+\$43). It is recommended to contact FACTS once you receive your confirmation letter, before the fee is processed, to have it discounted. If you do not contact FACTS until after the fee has been processed, the discount will be provided in the form of a refund check which will take up to 2 weeks to be processed.

In order to receive the discounted rate, parents must make the request directly to FACTS Management at 866-441-4637. If you have any questions regarding these procedures or FACTS, please feel free to contact FACTS Management and a team member will be able to assist you. If you prefer, you may contact your respective school.
