What is the hot lunch program?

A Federally Subsidized Hot Lunch Program that brings quality, nutritious meals directly to your child's school. Qualification, which is based on household income, may entitle your child to a free or reduced-price hot lunch. Students who do not qualify for the government subsidy will still be able to purchase hot lunches at the full price.

If you sign up for the program and are not satisfied for any reason, you may cancel lunches for your child at any time, and you will receive a refund for the remaining days of the program.
