Federation of Baltimore*

Dear Parents,

We are excited to welcome your daughter to Bais Yaakov Middle School!

In preparation of the coming school year, we are sending you a physical assessment form that must be filled out by both parent and physician. This requirement is mandated by the Department of Health and must be completed within 9 months prior to the start of this coming school year. This form was sent earlier in the year so you would have ample opportunity to have this requirement completed on time. We appreciate the forms already received and are now resending as a convenience for those that have yet to complete them.

Please make sure to schedule your daughter an appointment with her pediatrician if you have not yet done so. We also request that you inform us of this date as soon as you have it scheduled.

In addition, please be in touch with us if your child has any special medical conditions or pertinent challenges that you think we should be aware of. We do our best to be supportive of any special considerations and come up with appropriate plans as needed. The more advanced notice we have allows for better planning and a smoother transition for your daughter into the Middle School.

If you have any further questions or concerns over the summer, please either leave us a message at 443-548-7700 ext. 220 or email us at msnurse@baisyaakov.net. Please be mindful that we are not working our regular schedule over the summer and therefore it will likely take longer than usual for us to get back to you. If you have an urgent need that needs a timelier response, please call the main line.

Wishing you a restful and enjoyable summer,

Judy Krakauer, RN and Rivky Litke, RN, BSN
