## Yom Iyun

An inspiring *Yom Iyun* was presented before *Yom Kippur*, on a central *teshuva* topic, **“The Choice is Mine - *Ein Hadavar Tolui Elah Bi.*”** Mrs. Rivkie Herman, a teacher and noted speaker from New York, stirred our students and teachers with her story of “A Personal Journey of Choice.” A moving cantata and interactive workshops given by our faculty rounded out a most impactful morning, with delectable refreshments topping off the event.

An exciting *Rosh Chodesh Cheshvan* activity followed an especially beautiful *Tefillah* group davening, to usher us into the "Rain Season." *Parshas Noach*, rain and *Chodesh Marcheshvan* all converged in this themed activity to create a spirited beginning to the winter.

### V'Ha-er Program

**V'Ha-er** is in the... **air**. The *V'Haer* Friday night program is of recent vintage but has enjoyed sparkling success in its short existence. The *ruach*, energy and harmony of this Friday night *seuda* and program has been a highlight of school experiences. We are looking forward to this great event!

### Discovery

**Discovery** is off to a running start. The theme program, which runs through the school year on *Kodesh* Fridays, focuses each year on a different theme central to *Yiddishkeit*. This year's theme, **Simcha**, was introduced with an exciting opening theme song, an inspiring message from Discovery advisor, **Mrs. Yehudis Feldman**, a survey and video-game, and refreshments to top off the morning. The gorgeous and creative stage arrangement reflected the tens of hours put into the project by Discovery heads.
