## **Preschool Open House**

Our annual Open House, **"All Around The Community,"** was highlighted by many multisensory activities. The children enjoyed a fire safety obstacle course, medical worker stethoscopes, farmer's garden vegetable digging, *refuah sheleimah* postal postcards and a community worker puppet show. The event was enjoyed by many Bais Yaakov students as well as prospective Bais Yaakov families.

## Noach's Teivah

Our **Preschool** had several "visitors" as we learned about different kinds of animals on *Noach's Teivah*. The girls had a great time meeting plush rabbits, web-footed ducks, scaly snakes and a small hedgehog!

## Writing Math Stories

**Mrs. Dassi Barr's First Graders** have been busy writing addition stories at home and in class. When a girl submits a story, Mrs. Barr reads it to the class and they solve the problem together. The girls are working, not just to find the sum, but on saying the full math sentence. Language Arts skills intersect with Math!

## Rachel Imeinu's Yahrtzeit

In honor of **Rachel Imeinu's** *yahrtzeit* on the 11<sup>th</sup> of *Marcheshvan*, the **Second Grade** produced three-dimensional renderings of *Kever Rachel*. **Morah Debbie Weintraub** designed, prepared, and guided the girls in creating beautiful finished products. Each student transformed a rectangular piece of wood into a building with clay and beads, painting the entrance and dome, and gluing felt trees adjacent to the building. Additionally, on *Rosh Chodesh*, **Morah Chaya Bracha Waldbaum** conducted a "sister game," to highlight the commitment *Rachel Imeinu* had for the dignity of her sister Leah.

## Our Tehillim Program

The **Second Grade** enjoyed their recent *Tehillim* assembly. As in past years, the *moros* presented each of their students with a *Tehillim*. The *Sifrei Tehillim* have been generously dedicated by **Rabbi and Mrs. Tzvi and Liora Rosen** in memory of Mrs. Rosen's parents, **Shmuel ben Yosef Leib A"H** and **Chasida bas Mordechai A"H**. By completing the entire *sefer*, each girl has the opportunity to become a *Malkas Tehillim* and enjoy a *siyum* with her class and family. We hope that this introduction to *Tehillim* will enhance their life-long relationships with *Hashem* through *tefillah*.

## Brachos Unit

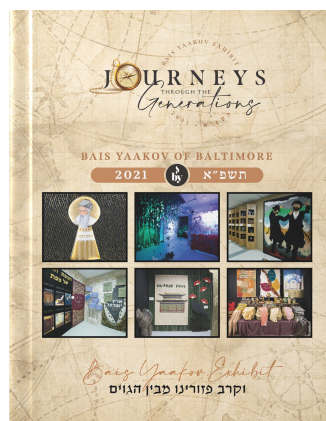

The **First Grade** continues to gain an appreciation for *birchos hamotzi* and *mezonos* through baking *challots* and decorating cookies. The teachers assist

the girls in building fluency in the words of *brachos*, and instill a love of *brachos* in each child through exciting experiences that motivate interest in thanking *Hashem*.

### School Wide Program – Simcha

Our annual schoolwide program takes center stage and inspires our students! This year's theme of **Simcha** is conveyed through song, video, images and scrapbooks; imparting important lessons about our *avodas Hashem*. At our first assembly, **Mrs. Rivky Brecher, Lower Elementary Limudei Kodesh Coordinator**, introduced the theme and explained how *mitzvos* bring us true happiness. The girls then learned our school song via video. We are grateful to **Mrs. Judy Neuberger** for her dedication to the creation of this incredible program and for producing the song, video and booklets.

Now available! Bais Yaakov Exhibit 2021 - magnificent, hard cover coffee table book! 100+ pages of full color photos! Click [here](#) to purchase.
