Parshas Vayeishev

Kriah Cash Bakery

Our **Third Grade moros**, under the direction of **Mrs. Chaya Hoffman, *Limudei Kodesh* Coordinator**, make *kriah* exciting! The students earn ***Kriah* Cash** by reading at home or with our *kriah* tutor, **Mrs. Malkey Adler**. This past Thursday, room 162 was transformed into a “**Kriah Cash Bakery**,” and the girls used their cash to purchase edible and non-edible treats and prizes. The girls are eager to continue their *kriah* practice!

Spotlight on Learning

Having a friend to study with makes learning *Torah* so enjoyable. The students in

Morah Judy Stein's class delight in the opportunity to learn with partners as they review and prepare *Chumash pesukim*.

Shabbos Mevorchim Tehillim

On *Erev Shabbos*, the **Fourth Grade** gathers in the auditorium to *daven* together and engage in a story and **Parsha Puzzle** with **Mrs. Chaya Hoffman**. This year, Mrs. Hoffman has implemented an idea from **Morah Esther Feldheim** for the girls to divide *Sefer Tehillim* and recite the entire *sefer* together on *erev Shabbos Mevorchim*. The pure sound of nearly 150 students *davening* with their *moros* is especially moving.

Penimi Training and Activities

During the month of December, the entire Upper Elementary staff is participating in a *chinuch* seminar that is focused on student-teacher conversations that yield positive outcomes. **Mrs. Faygie Zelcer** of **Penimi** has the teachers role-play and consider best practices for student-teacher dialogue. During this time, the students are not sitting idle! They have spent the past few weeks enjoying a fantastic paint activity with **Morah Debby Weintraub**. The girls have also been learning about the rotation of the moon, sun and earth and how they impact when *Rosh Chodesh* occurs.

Visit from Government Officials

Last Thursday, we had a special visit from

some of our county representatives – **Senator Shelly L. Hettleman**, **Delegate Jon S. Cardin** and **Delegate Dana M. Stein** – along with **Mr. Yehuda Neuberger**, **president of The Associated.**

The group was joined by **Rabbi Doniel Meltzer**, **Director of Operations** and **Rabbi Aaron Gross**, **Director of Development** on a tour of our campus

and school. The delegation enjoyed seeing our students in action. We are so proud of our students who gave them proper *kavod* and made a tremendous *kiddush Hashem*!

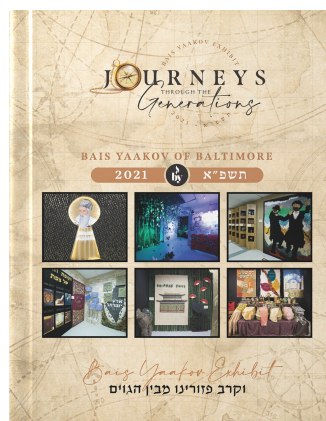

SIMCHA

Our schoolwide program, "**SIMCHA: *Simcha* Is My Connection to *Hashem* Always**," highlights many ways our girls can bring *simcha* into our lives and the lives of others. By being happy and sharing *simcha* with others we grow closer to *Hashem*. This past Tuesday, the entire Elementary School gathered in the auditorium to watch a delightful dance from **Morah Shoshana Kruger's First Grade** class to the tune of a *Simcha* Song.

Morah Judy Neuberger introduced the next phase of our program: bringing *simcha* to others and how doing so, brings *simcha* to ourselves. Morah Neuberger shared a fascinating story called: **Sara the Bucket Filler**. Sara learned that every time she did something positive for another, her bucket became more and more full! Our girls are ready to begin filling their buckets by bringing others *simcha*! Within the next few weeks, Morah Neuberger will read notes over the intercom, sharing how our students brought *simcha* to others in a meaningful way.
