

## For BY Parents

Dear Family and Friends,

We are proud parents of daughters enrolled in Bais Yaakov of Baltimore. Bais Yaakov consistently provides a quality education in a warm caring environment where teachers and staff form close personal connections with students. Our daughters are enjoying a special school experience where we see them flourishing and developing into true Bnos Torah.

We are currently engaged in an essential fundraising campaign to raise \$1.3 million by February 28th. This effort is fundamental to the sustainability of our school. It will enable Bais Yaakov to continue educating and inspiring.

Join me to help Bais Yaakov succeed. Please donate to my personal link and together we will invest in our future.

All donations will be QUADRUPLED.

With much appreciation,
