## Advocacy Day

Fifteen **Eleventh Graders** experienced an exciting morning in Annapolis, as they participated in “**Advocacy Day**” on behalf of Bais Yaakov and our community. Accompanied by our Social Studies faculty members **Mrs. Liba Steen** and **Mrs. Beth Adler**, as well as **Miss Bracha Eisenberg** of the High School office, the group served as part of a rally to support the **BOOST Scholarship Program**. In live Civics sessions, the students sat in on voting in the House of Delegates and on the hearing and testimony of a bill. The group also met with **State Senator Shelly L. Hettleman** and **Delegates Dana M. Stein** and **Dalya Attar**. Thank you Bais Yaakov parent and **Agudath Israel of Maryland Executive Director Rabbi Ariel Sadwin** for hosting this vibrant experience for our students!

## Adar in the High School

There has been no shortage of mirth and frolic in the High School with the month of **Adar**. The excitement was present in school from morning to night, in and out of the classroom, climaxing with the annual “**shpiel**” at the **Purim Chagigah**. Thank you to our students for the decorations, the spirit, and the “**shtick**” that made school such a happy place in recent weeks!

### Visit with Dr. Dovid Luchins

**Dr. Dovid Luchins, Chair of the Political Science Department at Touro University**, made his annual visit where he delivered a fascinating, in depth lecture to the **Twelfth Grade** about Russia's invasion of the Ukraine and the complexity of the issues involved. The talk was appreciated by the seniors for its clarity, and for the total command of the intricacies of the subject demonstrated by Dr. Luchins.

### Spectroscopes

As part of their Chemistry unit on light and atomic spectra, **Mrs. Shari Rochkind, Science Chair**, created an opportunity for the students to use **spectroscopes** to view atomic emission spectra in fluorescent lights. It was exciting for the students to actually see the same line spectra that they had learned about!

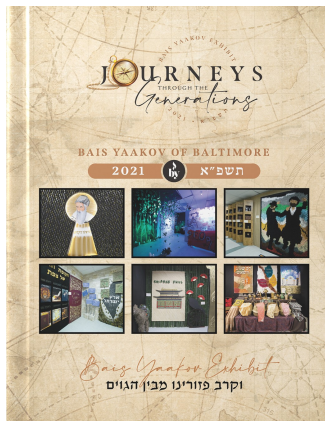

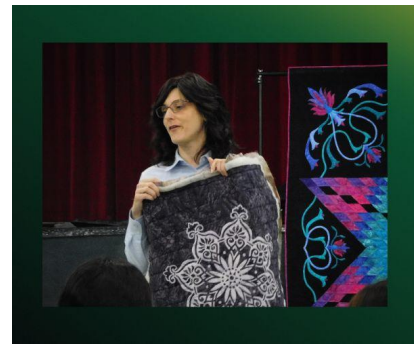

### Excitement Throughout the School

School has been buzzing with activities and events. Thank you to **Gedolei Yisroel** for the outstanding videos of **Rav Elyashiv** and **Rav Chaim Kanievsky zt"l**... to **G.O.** for the amazingly creative **Rosh Chodesh Adar Activity**... to **Gemach** for the **Mishloach Manos** programs... to **Discovery** for ongoing inspiration and planning for the technology trip... to **Mishmeres** for the **Thirty Day Initiative**... to **ILIMIT** for the **Kabbalos** program... to the individual grades for your **Melave Malka** and grade programs... and to our **Basketball Stars** for two great games played with excellence and earning two **silver medals**!

### Quilting Demonstration

A truly novel program kept **Eleventh Grade** History classes on the edge of their seats. We are grateful to **Mrs. Chana Kagan, Social Studies Chair**, for arranging for a quilting demonstration by **Mrs. Nechama Cox**, a member of several quilting associations, who has won numerous awards for her work, which has been appraised at between \$3,000 - \$10,000. The students appreciated this fascinating presentation. [Click here](#) for more on Mrs. Cox's visit.
