Parshas Titzaveh - Parshas Zachor

Sixth Grade Bas Mitzvah Dinner

Mothers, grandmothers, great-grandmothers and teachers joined our **Sixth Grade** class, of 150 students, to celebrate at their *Bas Mitzvah* Dinner. Each student received a *siddur* and certificate on stage. The night culminated with a beautiful performance, "**Turning a New Page**," directed by **Mrs. Shira Gold, Mrs. Rivka Hammelburger**, and **Miss Tehilla Kibel**. The students glowed with pride as their family members and teachers watched them perform in dance, choir and drama. We are so proud of our *Bnos Mitzvah*!

Seventh Grade Melave Malka

Our **Seventh Grade** held their **Grand Melava Malka** this past week. Eight different groups had a chance to shine on the décor committee or in the beautiful performance. Thank you to **Miss Yocheved Horowitz, Mrs. Miriam Mellman, Mrs. Nusy Lefkovitz,** and our **High School Heads** for running such a wonderful program.

Eighth Grade Science Fair

This past Wednesday, we held our annual **Eighth Grade Science Fair**. Sixteen judges, with advanced degrees in the field of science or medicine, were invited to view and judge the projects prior to the event. Our students were poised, confident and knowledgeable and the judges were impressed with the presentations. Thank you to **Mrs. Shari Rochkind** for arranging every detail with **Mrs. Gitti Horowitz** and to the rest of our incredibly devoted teachers.

Creative Arts Program

Our acclaimed **Creative Arts Program (CAP)**, led by **Miss Yocheved Horowitz**, made waves once again as 120 **Sixth and Seventh Graders** signed up for this afterschool program. The girls learned creative skills such as fondant making, cupcake creations, trifling, dance, painting, and computer programming. Ten workshops were offered and positivity was felt in the air as the girls learned these new cutting-edge skills.

Seventh Grade Challah Bake

We always enjoy the opportunity to have mothers join us in school, especially to participate in such an uplifting mitzvah as *hafrashas challah*. Sixteen of our **Seventh Grade** mothers came to be *mafrish challah* with the students as part of a special program

led by **Mrs. Nusy Lefkowitz**. Three mothers, **Mrs. Miriam Goldberger**, **Mrs. Chana Grove** and **Rebbetzin Yocheved Rose**, spoke about their passion for this *mitzvah* that is special to women. After braiding the *challah*, the students designed and painted covers for the dough. The girls were inspired and truly enjoyed this meaningful event.

Communication Workshop

The **Seventh Grade** engaged in a five-part series on communication skills given by **Mrs. Chanita Felder**. The students focused on important life skills, including body language, listening, problem solving, and peer pressure.

Staff Melave Malka

With warm feelings of camaraderie, our Middle School teachers enjoyed a beautiful *Melave Malka* to close out the first half of the school year. **Rabbi Menachem Goldberger** shared three things that we can do as teachers that have a powerful impact: care, recognizing individual gifts and support. The night ended with lots of laughs, as the teachers played a game of “Are you Smarter than a Fifth Grader,” created by **Mrs. Shari Rochkind** and **Miss Adina Rochkind**.

THANK YOU!
