Parshas Acharei Mos - Kedoshim

IT'S A NOVELTY

The **G.O.** theme of "It's a **Novelty**" took shape during *Sefira* in the form of a focus on self-improvement. Students are encouraged to "make *Sefira* count," by being the "author" of their own personal development. The *Rosh Chodesh Iyar* activity highlighted the individual, personal aspect of this program.

LUNCHBRAKE

"**Lunchbrake**," a program introduced in Bais Yaakov schools internationally for the month of *Iyar*, was presented to the student body as *Chodesh Iyar* was ushered in. Since social time is the time period most likely to create problem situations in the areas of speech, a special **Machsom L'fi** is in place to help keep our awareness at a high level. Thank you **Mishmeres** for keeping us on high alert with regard to proper interactions with our friends and schoolmates!

DISCOVER CLOSING TECHNOLOGY PROGRAM

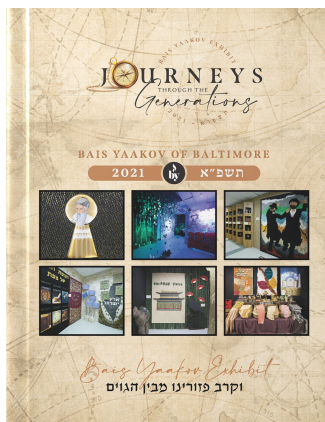

Discovery Program's recent theme was "Stay Tuned, It's a Work in Progress." Having just completed the one month **Technology Program**, the message conveyed was that growth never ends; it's a work in progress. **Rebbetzin Sara Gross** brought home the message that we are indeed lucky to have such programs, but it doesn't stop there! At the end of the program, each student received a reminder label: **Train Urself; it Never Ends.**

We are looking forward to a spring season of great learning spiced with exciting activities, including *Lag B'Omer*, Technology Rewards Trip, Student *Shabbos* and more.

CONGRATULATIONS TO OUR TENTH AND TWELFTH GRADES

Our **Tenth and Twelfth Grades** raised a combined **\$160,000** (matched) during our recent campaign! As a reward, the two grades were treated to a pizza lunch in a local park. The students had a great time and enjoyed strolling around the park, playing ball and rollerblading. We are grateful to the administrators, teachers and mothers who joined us. Back at school, our **Ninth and Eleventh Grades** enjoyed fresh muffins in appreciation for their hard work during the campaign as well.
