Parshas Tzav - Shabbos HaGadol

Preschool

In conjunction with learning about the *Korban Pesach*, the **PTA** generously sponsored a **Petting Zoo** on *Rosh Chodesh Nissan*. The animals included a baby calf, baby goats and a baby lamb! The **Pre-Nursery** made beautiful tambourines and had a great time as they re-enacted *Krias Yam Suf*. The girls have been practicing each part of the *Seder* so they'll be ready to share their knowledge on *Pesach*.

Lower Elementary

The **First and Second Grades** have been immersed in their *haggadah* preparations.

The girls have spent hours on their works of art and are looking forward to sharing them with their families at the *Seder*.

Upper Elementary

The **Third and Fourth Grades** have been busy preparing for *Pesach* with creative attention to their *haggados*. They have learned songs, designed beautiful artwork and absorbed many meaningful lessons about *Pesach*.

Middle School

Pesach spirit has been permeating the halls of the Middle School! In addition to their beautiful and creative *haggados*, many **Fifth Grade** classes embroidered intricate *afikomen* bags to be used at the *Seder*. The **Sixth Grade** has been gaining a deeper understanding of *maggid* and will come home with a *haggadah* packed with *divrei Torah* and incredible insights. The **Seventh Grade** culminated their learning by decorating magnificent *haggados* with velvet, gemstones and mirrors. Our **Eighth Grade** has been studying the *haggadah* through the lens of *Emunah* and *Bitachon*.

Our annual **Nissan Auction** raised a record \$9,500 and 100% of the proceeds will be going to our local **Ahavas Yisrael Charity Fund**. Prizes that were donated by teachers and students include free points on a test, lunch with a teacher, gift cards, baked goods and much more. Thank you to our staff and parents for your generosity that allowed us to do this important *chesed* for our community.

High School

The High School has been hopping with special programming in the weeks leading up to *Pesach*.

Highlights included the **Discovery Nissan Technology Program**, featuring student speakers **Sara Librowicz, Nechama Lieder, Rena Katz, and Chana Raizel Rabhan**.

The local TAG office expressed wonder at the flow of traffic the evening following the program, of students seeking to make upgrades in their vigilance in regard to phone usage – which

resulted from the great impact of the program. Other activities included an inspiring **Yom Iyun** on the theme of **“Belief and Beyond, L’dor V’Dor O’dia Emunascha B’Fi,”** with guest speaker **Mrs. Dina Breiny Smith**, who mesmerized her audience. We also appreciated an introduction of the **Lunch Break Mishmeres Program** and **Rosh Chodesh G.O.** sponsored lunch, and we held the **Production Awards Ceremony**. **Rabbi Moshe Heinemann** addressed the entire student body with his annual pre-*Pesach shiur* and the **Twelfth Grade** was privileged to hear from **Rabbi Dovid Schwartz**.
