Parshas Behar - Bechukosai

Rosh Chodesh with Mothers and Grandmothers

The Upper Elementary's *Rosh Chodesh* program is a unique opportunity each month for mothers and grandmothers to bond with their children as they join together to sing *Hallel*.

Fourth Grade Science Center Trip

Our **Fourth Grade** had a delightful and educational experience at the **Maryland Science Center**. The girls enjoyed observing many of the concepts they have learned in class. Thank you to the **PTA** for sponsoring the bus transportation!

Kriah Ice Cream Parlor

Our **Third Grade** enjoyed their motivational *Kriah* event featuring an in-house ***Kriah Kash Ice Cream Truck***. The students had a chance to spend their hard-earned *Kriah Kash*, that they earned by practicing their Hebrew reading, on assorted ice cream, toppings and prizes. Thank you to **Miss Chana Fraida Berger** and assistants, who transformed the room into an authentic ice cream truck experience. We also appreciate **Morah Malkey Adler**, our *Kriah* specialist, who reads with every student individually at least twice a week!

Mrs. Rosen's Story of Immigration

The **Fourth Grade** has been learning about the citizenship process in conjunction with reading, "**A Very Important Day**," by Maggie Rugg Herold. Our very own **Mrs. Liora Rosen** shared her experience in becoming an American citizen, bringing her journey to life with vivid descriptions. The girls learned that it is every citizen's right to receive a passport so that they can travel in and out of the country freely.

Baking for Tzedakah

The students in **Morah Hindy Neumann's Fourth Grade** held a bake sale this past Sunday to benefit **Ahavas Yisroel Charity Fund**. The girls prepared yummy pastries and baked goods with their *morah* and arranged the marketing and sale. Together they raised nearly \$1,000!

Lag Ba'Omer

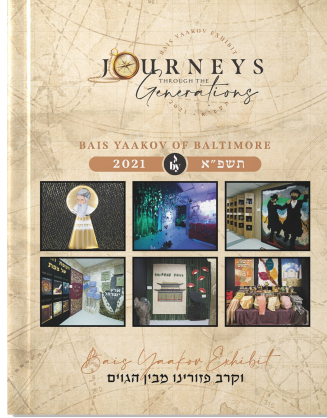

Our students enjoyed a delightful day of excitement on **Lag Ba'Omer**. The **Third Grade** learned to weave rubber-band jump ropes, which they used throughout the campus. The **Fourth Grade** enjoyed relay races and ices with their teachers. We are truly grateful to **Mr. Lenny Attman** and the **Attman Family** for sponsoring the **Lag Ba'Omer** activities in memory of their mother, **Mrs. Ida Attman A"H**.

National Symbols

The **Third Grade** learned about America's national symbols including the **Bald Eagle**, the **Statue of Liberty** and the **Liberty Bell**. **Miss Elisheva Kroll's** class designed brochures about these special symbols and presented them at the culmination of this unit.
