MIDDLE SCHOOL

WASHINGTON D.C. RALLY

Our **Seventh and Eighth Grade** students were in full spirit as they stood with 300,000 people on the National Mall to send a powerful message to Congress about the importance of supporting Israel and the Jewish people. Sending 17 buses and approximately 700 students was a daunting task but was well worth the effort. One parent shared the following feedback that she received from a friend who was at the rally, "...The *derech erez*, the *hakaras hatov* and the overall behavior of the Bais Yaakov of Baltimore girls stood out and made an incredible *kiddush Hashem*."

ACHDUS ASSEMBLY

Our **Fifth and Sixth Grade** students welcomed approximately 100 students from **Bnos Yisrael** and **Cheder Chabad** to join them for a special *Rosh Chodesh* activity with **Rabbi Yisrael Erps**. The feeling of *achdus* was especially meaningful during these trying times for *Klal Yisroel*. Rabbi Erps wowed the students with his highly interactive game show. Thank you to **Mrs. Chani Flam** for her hard work arranging this activity.

CAP PROGRAM

Over 100 **Sixth and Seventh Graders** are mastering new skills as they participate in our award-winning **Creative Arts Program (CAP)**. CAP meets after school for four weeks in the fall and in the spring. The program offers a range of exciting course options including Fondant Creations, Trifling, Dance Club, and Cupcake Capping. In addition to the girls bringing home beautiful creations, they are also meeting girls from other classes and learning new skills.

SEVENTH GRADE PAINT AND DANCE NIGHT

Our **Seventh Graders** were treated to a fun-filled Motzai Shabbos activity that featured a paint night with our Lower Elementary School's **Ms. Debbie Weintraub** and **Mrs. Hinda Moskovitz** who guided the students in painting a Jerusalem backdrop on tambourines. **Mrs. Ruchama Landa** led the girls with pound and glow dancing followed by a delicious *Melava Malka*. Students **Penny Goldberg** and **Miki Herman** addressed their classmates. The evening ended on a high note with a meaningful *kumzitz*.
