HIGH SCHOOL

DIGITAL DEVELOPMENT

A powerful event recently took place that included a delectable menu, as well as an inspiring guest speaker, **Mr. Ronnie Adjmi**, an owner of major fashion companies. Mr. Adjmi shared how a determined person could survive, even at the top of the business world, without a smart phone, and even achieve the highest levels of success. His genuineness and modesty left a deep impression on both his student audience and the parents who came out to hear his message.

CHAYEI MISHPACHA

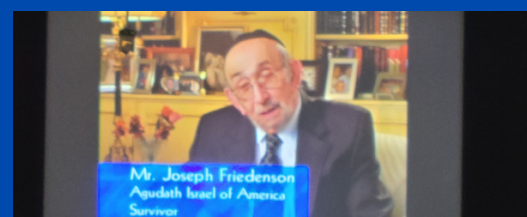

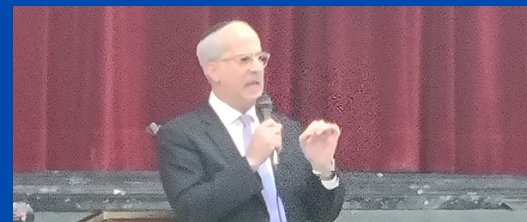

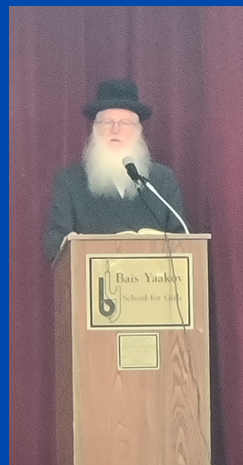

Chayei Mishpacha, the series dedicated to topics on the horizon for the **Twelfth Graders'** life after high school, is off and running. Prominent guest speakers have thus far included **Rabbi Shraga Neuberger**, **Rabbi Yochanan Stengel**, **Rabbi Effy Flamm**, **Rebbetzin Lea Feldman**, **Mrs. Stacey Zrihen**, **Rabbi Naftoli Hexter**, **Rabbi Pinchas Gross** and a panel discussion with **Rebbetzin Mindi Hauer**, **Mrs. Aidel Weissberg** and **Miss Chava Meth**. There is much more to come.

ASARA B'TEVES

Special thanks to **Rabbi Menachem Goldberger** for his gentle yet inspiring message on *Asara B'Teves*, sharing the program with the Torah Umesorah Holocaust video.

Thank you to **Rabbi Shlomo Horowitz** for regaling the entire student body with fascinating stories about the current Israel — Hamas war in a special *Chanukah* presentation.

SEFER TEHILLIM

Kudos to members of the *Siyum Sefer Society*! More than eighty students and faculty in this group have accepted to complete *Sefer Tehillim*, either alone or in partnership, over the course of every weekend until our February intersession. Add these to those who have accepted this goal previously, as well as to our hallway *Tehillim Station*, and the *sefer* is being said hundreds of times by our school. May our *tefillas* be received with compassion Above!
