MIDDLE SCHOOL

GENERATIONS

Our **Eighth Grade** did a magnificent job on their performance of **Generations**, an original play written and directed by **Mrs. Rochelle Goldberg**. Countless resources, time and energy were invested to help our students actualize untapped skills and talents. The pinnacle of the play was when the audience joined our cast with heartfelt singing of *Acheinu* for our brothers and sisters in *Eretz Yisroel*. Tremendous thank you to our producer, **Mrs. Sossie Ansbacher**, and assistant producer, **Miss Yocheved Horowitz**.

ERETZ CHEMDA PROGRAM

The **Eretz Chemda Program** is underway once again in the Lower Middle School! Our **Fifth Grade** students have begun to learn about the unique *mitzvos hateluyos ba'aretz* (the agricultural *mitzvos* of *Eretz Yisroel*) from dynamic educators who are living in *Eretz Yisroel* and teaching our students over Zoom. The girls are truly enjoying this program and feel a deeper connection to our homeland.

COMMUNICATION WORKSHOPS

Our **Seventh Grade** is engaging in a five-part series on communication skills offered by **Mrs. Chanita Felder**, Coordinator of Students. These vital skills are delivered as the students immerse themselves in understanding key issues such as body language, listening skills, problem solving and peer pressure. A quick review of the skills learned as part of the Sixth Grade curriculum on bullying is also part of this series.

ACHDUS IN THE UPPER MIDDLE SCHOOL

Chanukah ended on a high with a special inter-grade *achdus* program for the Upper Middle School. Each **Eighth Grader** was paired with a **Seventh Grader**, as they participated together in activities including a carnival and making bracelets. Thank you to **Mrs. Miriam Mellman** for working with our **G.O.** to create a sense of community with this exciting program.
