### HIGH SCHOOL

#### TTT'S RECOGNIZED

Attention on the part of student **Seniors** to their upcoming seminary year can turn into obsessive tension and even fright. Even for those who are generally optimistic, focus on the admissions process can be intrusive (!), preventing positive and productive involvement during their Twelfth Grade school year. **The Taciturn Team** is comprised of **Twelfth Graders** who commit to leave all conversation about seminary out of their school day. More than 90% of this year's graduating class joined this group, thus ensuring a calmer, happier school year for all.

#### PRODUCTION AND CELEBRATION

Production represented a glorious celebration of professionalism, inspiration and harmonious, collaborative efforts within the student body. With *S'yata D'shmaya*, these converged to result in an unforgettable show. Kudos for the great success to **Twelfth Grade Club Heads and directors**, and to their **Faculty advisors**. Thanks are due to the show's director, **Mrs. Chanie Hendler**, and to producers, **Mrs. Penina Shepard**, **Mrs. Devora Krakauer** and **Mrs. Sima Goldstein**. Congratulations to Student Heads, **Chaya Flamm** and **Shulie Horowitz** for "the greatest show on earth"!

#### PROGRAMS PROMINENT

Thank you to **"I'm In It"** for another rousing and exciting (lunch time) program. Thank you to **Discovery** for the meaningful *Amein* activity, and to G.O. for a lively and fun Filled *Tu B'shvat* program.

#### TORAH PERSONALITIES

**Rav Matisyahu Salomon zt"l** was remembered at a school assembly, as words of *hesped* were offered by **Rabbi Zweig**, helping the audience to understand the Lakewood *Mashgiach's* monumental contributions, against the backdrop of the *Mussar* movement. **Rav Tzvi Willner zt"l** was remembered by **Mrs. Willner** and daughter, **Mrs. Nechama Green** for his unique *Torah* achievements and stature. *Yehi Zichram Baruch*.
