LOWER ELEMENTARY SCHOOL

ADAR RUACH!

This past Friday ushered in the month of *Adar Rishon* and was marked by **First and Second Grades** singing *Hallel* and enjoying *leibedike* songs. Each had assemblies that decorated masks or enjoyed colored flashing glasses glowing in the dark to instill an exciting *ruach* in the school as *Purim* approaches. We are looking forward to more excitement throughout the months of *Adar*. We thank the PTA for always providing muffins in honor of *Rosh Chodesh* and especially **Mrs. Rachel Tendler** for providing the students with Oodles for their *Rosh Chodesh* treat! Thank You!

SECOND GRADE CHUMASH SIYUM

On Sunday morning, January 22nd, over 650 people gathered at the Park Heights campus to celebrate their **Second Grade** daughters' First *Chumash Siyum*, completing *Parshas Bereishis*. Great-grandmothers, grandmothers, mothers, and siblings came to share in the *simcha* and express their interest in this special event! The girls put on a musical *Chumash* production replete with costumes to share what they have learned this year. In addition, a video presentation was viewed and beautiful *pecklach* were distributed.

PARK HEIGHTS MTA BUS

Every day, over 75 Bais Yaakov preschool and elementary students ride the MTA bus 92 on the Velvet Valley run to and from the Park Heights Campus with adult supervision. They are cared for by **Mrs. Nessia Greenwood**, our bus monitor, and one of our preschool assistants. She greets each student with a warm smile, ensuring everyone has a seat and a comfortable ride. Mrs. Greenwood provides parents with peace of mind that each bus rider is safe and also offers a point of contact to verify where the bus is. We would also like to thank **Mr. Damon** for being a kind, flexible and safe driver.

- February 13 – High School PTA
- February 15-19 – Winter Vacation
- February 25 – First Grade Siddur Party
- Sixth Grade Bas Mitzvah Dinner
