HIGH SCHOOL

ADAR SHEINI

Adar Sheini got off the ground with a bang, both with hallway decorations, and the **G.O.** Fun Filled program. **Eleventh Graders** who tired of the traffic gridlock at school found other means of transportation. Not to lose sight of the gravity of our current *eis tzarah*, the **Twelfth Grade** heard powerful insights about *tefillah* and the special *koach* of *Adar Sheini* from **Rabbi Menachem Nissel**, renowned educator from *Eretz Yisroel*.

RAISING CHILDREN IN THE DIGITAL AGE

Mrs. Yael Kaisman, renowned educator, visited Bais Yaakov to speak both to mothers in the evening – a first time event – and to the high school students in the afternoon. The focus was how to allow ourselves to be internally confident and consistent, so that we are not overcome by outside sources, be they digital or otherwise. Our own **Mrs. Shifra Rabenstein** also presented in the evening, with an equally inspiring address. Thank you to our technology group, led by **Mrs. Shira Abramovitz** and **Mrs. Nechama Green**, for coordinating these impactful programs.

ADVOCACY DAY

Advocacy Day once again saw a delegation of bright eyed **Eleventh Graders** descend on Annapolis to observe and lobby law makers on issues near and dear to the Jewish Community. Thank you, **Mrs. Chaya Dachs**, for overseeing this program year after year and for using it as a hands-on educational tool for our students. Thank you to **Rabbi Shaul Engelsberg** for joining as a chaperone and to **Miss Yaffa Caplan** for making her driving enterprise available to us on short notice.

GRADE PROGRAMS

Grade programs dotted the season with an exciting **Ninth Grade** after school program, a beautiful **Tenth Grade melava malka**, and an upcoming **Eleventh Grade shalosh seudos**, set to take place this coming *Shabbos*. Thank you to the students for helping to plan and coordinate these programs, and a special thank you to faculty members who support the grade counselors by coordinating such great events, **Mrs. Shira Leah Ribakow**, **Mrs. Shuli Zeiger** and **Mrs. Shira Abramovitz**.
