## Bais Yaakov Upper Elementary School Supply Letter

Dear Parents in Bais Yaakov Upper Elementary,

We are pleased to present you with the supply list for your daughter's classes for the upcoming school year. With the increase in store costs, we want to assure you that we have **carefully** reviewed this list with our teachers and administrators to ensure that the requested supplies are needed. Having the required supplies on the first day of school is very important to your daughter's success.

Please note that the school purchased many materials in lieu of passing on this additional cost to our parent body. For example, where teachers may have had a unique class-specific need for a binder or a specific type of case or folder, we purchased these for all students in the class rather than putting them in this list. In addition, we limited some quantities on certain items, like tissues, so we will reserve the ability to request them as needed later in the year.

Lastly, to help you further, our office prepared a "shopping cart" registry for you to use as a guide in finding the correct items on both Amazon and Walmart. Select the correct number and colors as per the attached list. You can use Bais Yaakov Gift Cards for purchases at either of these stores! We do not guarantee that our lists contain the least expensive pricing for any given item on our supply list. However, we hope this list will help you find the right product as you shop. We take no responsibility for the quality of any items we select, as we did our best to find a reasonable item. Also, please note that to do this, we needed to set a default shipping address to the school, which you must change before finalizing your order. If an order comes to school, we will have **NO WAY TO KNOW WHO SENT IT TO US AND ALL SUPPLIES WILL BE DEEMED HEFKER AND ADDED TO OUR SCHOOL SUPPLIES CABINET FOR GENERAL SCHOOL USE. So if you are ordering from either of our registries, YOU MUST CHANGE THE SHIPPING ADDRESS.** (See below for how to change it.)
