**Confidential Tuition Reduction Application  
Baltimore Jewish Day Schools  
2026-2027 / 5786**

This consolidated Tuition Reduction Application form has been designed to capture all of the information that each of the schools requires. For those families with children going to more than one school, parents are instructed to complete this form and send copies of it to each applicable school. Please fill in all items on this form. If an item is not applicable to you, please enter "NA" in the space provided. Your application will NOT be processed if it has incomplete information or if you do not attach all necessary supporting documentation.

As tuition paying parents ourselves, we understand the difficulty not only of the financial burden that tuition imposes, but the discomfort inherent in the scholarship process. As committee members, we try to balance the difficult task of ensuring that our schools meet their budgetary needs while attempting to minimize the tuition burden on parents as much as possible.
