Federation of Baltimore*

Dear Parents,

We hope this letter finds you well, and that you had a meaningful Pesach break. According to our records, we do not have your daughter's Tdap and Menactra vaccination information.

We want to bring to your attention a Maryland State requirement for all students entering 7th grade. These students are required by law to receive the MCV4 (Meningococcal/Meningitis) and the Tdap vaccinations **prior to the start of the school year. Your daughter will not be allowed to start school without a record of these immunizations.** This is why we are sending this letter now to give you ample time to address this requirement. **We must receive these records no later than August 31st, 2026.**

We recommend that you do not delay in taking care of this and be in touch with your pediatrician as soon as possible to make sure these immunizations will be completed **before the start of next school year.** If your daughter already has received them, please send us a copy of her updated vaccine record. If she has not received them, please schedule an appointment.

You may have your pediatrician email vaccine records to us at msnurse@baisyaakov.net or fax them to 443-548-0347 att: School Nurse.

If you have any further questions or concerns, please feel free to reach out to us at 443-548-7700 ext. 220 or email us at msnurse@baisyaakov.net.

Thank you for your cooperation!

Sincerely,

Rabbi Frohlich,
BYMS Principal

Judy Krakauer, RN and Miriam Shapiro, RN, BSN
