On his 9th Yahrtzeit - 15 Marcheshvan

Rabbi Mendel D. Freedman Z"L led Bais Yaakov Elementary for close to 40 years. Rabbi Freedman ensured that every girl, regardless of her abilities, be given a Bais Yaakov education. He created an individualized environment in which he brought each of his talmidos close to Hashem.

Today's Day of Davening and Learning is dedicated by the Bais Yaakov Family in memory of Rabbi Freedman.
